Riverside Senior Life Communities
 Dimensions of Wellness

partners with residents & their families to identify their desires & dreams, & work together to bring those needs, passions, & abilities to life. We focus on the Dimensions of Wellness to assure our resident are provided with a well-rounded array of programming. People at every age and stage of ability seek opportunities to remain productive, contributing members of a community. They search for ways to stay mentally and physically independent and active; they seek resources to meet their spiritual needs; and they want to keep expanding their knowledge. In addition to what you see on this calendar, there are many small group programs occurring, as well as one-on-one opportunities to assure all our residents are engaged.

If you or your loved ones have suggestions for something that you enjoy, please do not hesitate to let us know. We are here to serve you.
