We focus on the Dimensions of Wellness to assure our residents are provided a well-rounded array of programing. People at every age and stage of ability seek opportunities to remain productive, contributing members of a community. They search for ways to stay mentally and physical-ly independent and active; they seek resources to meet their spiritual needs; and they want to keep expanding their knowledge. In addition to what you see on this calendar, there are many small group programs occurring, as well as one-on-one opportunities to assure all of our residents are engaged. If you or your loved ones have suggestions for something that you enjoy, please do not hesitate to let us know.
